

CITY OF RICHMOND Selects Securance Consulting

Tampa, FL – April 2010 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) auditing services, today announced that City of Richmond has selected Securance for select IT audit initiatives.

City of Richmond is an economically progressive city and as Virginia's capital, Richmond offers a wealth of amenities not easily found among other East Coast municipalities. Richmond is home to 200,000 plus residents and consistently ranks among the "Best Places to Live and Work in America" in several national publications. For more information on City of Richmond, visit the Government's website at www.richmondgov.com.

Information technology auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.
