

MEMORIAL HEALTHCARE SYSTEM Selects Securance Consulting

Tampa, FL – April 2010 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) auditing services, today announced that Memorial Healthcare System has selected Securance for select IT audit initiatives.

Memorial Healthcare System has been a leader in providing high-quality healthcare services to South Florida residents for over 55 years and today, it is the fifth-largest public healthcare system in the nation. MHS's patient, physician and employee satisfaction rates are some of the most admired in the country. For more information on Memorial Healthcare System, visit their website at www.mhs.net.

Information technology auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

The company serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, government, and healthcare to name only a few.
