

## **WELLMED MEDICAL MANAGEMENT, INC. Selects Securance Consulting**

**Tampa, FL – April 2010** – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) auditing services, today announced that WellMed Medical Management, Inc. (WellMed) has selected Securance for select IT audit initiatives.

WellMed is a highly-qualified group of 60+ Board Certified Family Practice and Internal Medicine physicians who specialize in senior healthcare. Founded in 1990, WellMed is the largest physician-owned medical practice management company in South Texas with 30+ medical clinics in the Greater San Antonio area. WellMed's focus and mission is to help the sick become well and to help patients understand and control their health in a lifelong effort at wellness. For more information on WellMed, visit the company's website at [www.wellmedmedicalgroup.com](http://www.wellmedmedicalgroup.com).

Information technology auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.

### **About Securance Consulting**

Securance Consulting is a professional services firm delivering independent, full-service IT and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

The company serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, government, and healthcare to name only a few.
