

COLORADO PUBLIC EMPLOYEES' RETIREMENT ASSOCIATION Selects Securance Consulting

Tampa, FL – April 2011 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) auditing services, today announced that Colorado Public Employees' Retirement Association (Colorado PERA) has selected Securance for select IT audit initiatives.

Colorado PERA provides retirement and other benefits to the employees of more than 400 government agencies and public entities in the state of Colorado. Colorado PERA was established by state law in 1931 and is the 21st largest public pension plan in the United States. By the end of 2009, the fund had over \$34 billion in assets available for benefit payments, with 190,206 active members and 84,088 benefit recipients. Colorado PERA now maintains a diversified portfolio of investments, while adhering to a long-term, strategic asset allocation policy. For more information on Colorado PERA, visit their website at www.copera.org.

Information technology auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

The company serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, government, and healthcare to name only a few.
