

Securance Consulting Moves Corporate Headquarters

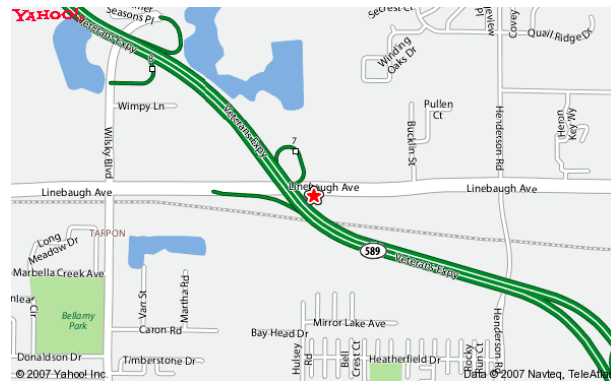

Tampa, FL – December, 2007 – Securance Consulting, a Professional Services firm delivering independent risk consulting services, announced the acquisition of a new corporate headquarters facility to support its growth. The new location will more than triple its corporate administrative office. Located in the Veteran's Professional Office Park, the location is only minutes away from downtown Tampa and the Tampa International Airport (TIA).

According to Paul Ashe, the President of Securance
“...over the past few years Securance has experienced significant growth. Our new office, specifically the additional space it provides, will enable us to continue to serve our current and growing client base. While we will continue to manage our overhead relative to multiple office locations throughout the country, we have reached the breaking point in terms of our corporate office capacity, and it was time to expand.”

The new address is 6922 W. Linebaugh Avenue;
Suite 101; Tampa, Florida 33625.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and primarily serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP. Securance Consulting assists organization in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.

The company serves several major industries including automotive, communications, consumer products, defense, distribution, energy and utilities, entertainment and media, financial services, manufacturing, technology and government to name only a few.
