

AMERICAN STATE BANK Selects Securance Consulting

Tampa, FL – December 2011 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) services, today announced that American State Bank has selected Securance for select IT audit and security initiatives.

American State Bank first opened its doors in 1948 and has been an innovator in banking since. American State Bank is locally owned and operated and has 39 locations in 23 communities throughout Texas. They are invested in helping these communities grow, one individual and one business at a time. For more information on American State Bank, visit their website at www.asbonline.com.

Information technology security and auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity, Disaster Recovery, and many more.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT, IT security, and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

Securance serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, insurance, government, and healthcare to name only a few.

For more information on Securance Consulting's technology risk management services and software solutions, please call 877-578-0215 or visit www.securanceconsulting.com.
