

DOUGLAS COUNTY, NEBRASKA Selects Securance Consulting

Tampa, FL – February 2010 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) auditing services, today announced that Douglas County, Nebraska has once again selected Securance for select IT audit initiatives.

Douglas County, incorporated in 1855, forms part of one of the nation's major metropolitan areas along the Missouri River, with Omaha as its largest city. The county has a broad-based economy with strong trade, service, and manufacturing sectors, with many corporations headquartered in the county. This is the major insurance and telemarketing center of the United States. For more information on Douglas County, visit the Government's website at www.co.douglas.ne.us.

Information technology auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

The company serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, and government to name only a few.
