

ENTERGY SERVICES, INC. Selects Securance Consulting

Tampa, FL – February 2010 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) auditing services, today announced that Entergy Services, Inc. has once again selected Securance for select IT audit initiatives.

Entergy Services, Inc. is an integrated energy company engaged primarily in electric power production and retail distribution operations. Entergy is the second-largest nuclear generator in the United States and delivers electricity to 2.7 million utility customers in Arkansas, Louisiana, Mississippi and Texas. Entergy has annual revenues of more than \$13 billion and approximately 14,700 employees. For more information on Entergy Services, Inc. (NYSE: ETR), visit the company's website at www.entergy.com.

Information technology auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

The company serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, government, and healthcare to name only a few.
