

DAIRYLAND POWER COOPERATIVE Selects Securance Consulting for IT Risk Management

Tampa, FL – January, 2008 – Securance Consulting, a Professional Services firm delivering independent risk consulting services, today announced that Dairyland Power Cooperative (Dairyland) has selected Securance to implement a Governance | Risk | Compliance (GRC) framework.

Dairyland Power Cooperative is a generation and transmission cooperative that provides the wholesale electrical requirements and other services for 25 electric distribution cooperatives and 19 municipal utilities in the Upper Midwest. In turn, these cooperatives and municipals deliver the electricity to consumers....meeting the energy needs of more than half a million people. The company's annual revenue is in excess of \$300 million. For more information on Dairyland, visit the Company's websites at www.dairynet.com.

Information technology auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organization in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity and Disaster Recovery.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

The company serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, and government to name only a few.
