

THE MARYLAND-NATIONAL CAPITAL PARK AND PLANNING COMMISSION Selects Securance Consulting

Tampa, FL – June 2011 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) services, today announced that The Maryland-National Capital Park and Planning Commission (Commission) has selected Securance for select IT audit and security initiatives.

The Commission is a bi-county agency empowered by the State of Maryland in 1927 to acquire, develop, maintain and administer a regional system of parks within Montgomery and Prince George's Counties, and to provide land use planning for the physical development of Prince George's and Montgomery counties. The Commission administers a park system of more than 52,000 acres. It is composed of stream valley parks, large regional parks, neighborhood parks and park-school recreation areas. For more information on the Commission, visit their website at www.mncppc.org.

Information technology security and auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity, Disaster Recovery, and many more.
