

PIEDMONT NATURAL GAS Selects Securance Consulting

Tampa, FL – June 2011 – Securance Consulting, a Professional Services firm delivering independent technology risk consulting and Information Technology (IT) services, today announced that Piedmont Natural Gas has selected Securance for select IT audit and security initiatives.

Piedmont Natural Gas has been in operation for more than 50 years and is the trusted natural gas provider for more than 1 million residential and business customers in North Carolina, South Carolina, and Tennessee. Piedmont Natural Gas also sells, installs, and repairs natural gas appliances and equipment. For more information on Piedmont Natural Gas, visit their website at www.piedmontng.com.

Information technology security and auditing has become a critical component in risk management. As technologies continue to advance they are becoming the underpinning of organizations and their business processes. Securance Consulting assists organizations in managing the risk associated with technology in these areas: IT Policies & Procedures, General Computer Controls, Application Controls (i.e. ERP, CRM, SCM, MAN), Software Compliance, Data Center Controls, Network Security, Wireless Deployments, Business Continuity, Disaster Recovery, and many more.

About Securance Consulting

Securance Consulting is a professional services firm delivering independent, full-service IT, IT security, and internal audit services, specializing in the niche market of technology risk consulting. The company, founded in 2002, is headquartered in Tampa, Florida and serves the Continental U.S.A.

Securance is staffed by audit consultants who have diverse backgrounds within the audit and information technology fields. They average 10-12 years of experience and hold certifications such as CPA, CIA, CISA, CISSP and BCP.

Securance serves several major industries including automotive, communications, consumer products, defense, energy and utilities, entertainment and media, financial services, insurance, government, and healthcare to name only a few.

For more information on Securance Consulting's technology risk management services and software solutions, please call 877-578-0215 or visit www.securanceconsulting.com.
